Fifteenth Regiment.

This regiment was organized at New York city, to serve for three years. The companies of which it was composed were raised, principally, in the counties of New York, Orange and Sullivan. It was mustered into the service of the United States from October 14 to December 19, 1861. Companies "A," "B," "C," "D" and "E" were formerly the Third Battalion N. Y. Artillery. A portion of the original members were mustered out by detachments, as their terms of service expired, and the organization, composed of veterans and recruits, remained in service until August 22, 1865, when mustered out in accordance with orders from the War Department.
